## PROFESSIONAL EXPERIENCE

### Front-End Web Intern

#### Codules Technologies private ltd.

📅 AUG 2022- SEPT 2022

📍 Greater Noida, India

- I was a Sole Developer of a Website for a Real Estate Company named "AP Associate" <https://apassociate.in/>.
- The technologies used in the development was HTML5, CSS3, JavaScript, Bootstrap and PHP.
- The whole project was undertaken under the guidance of a Senior Project Manager, MR.Rahul Chauhan.
- I've also implemented a small piece of backend in PHP to the website.
- I also took the responsibility to get the website deployed and hosted as well.
